Independent auditor's report on review of condensed interim financial statements

To the Unitholders of Alistithmar Capital Saudi Companies Fund

Introduction

We have reviewed the accompanying 30 June 2024 condensed interim financial statements of **Alistithmar Capital Saudi Companies Fund** ("the Fund"), managed by Alistithmar for Financial Securities and Brokerage Company ("the Fund Manager"), which comprises:

- the condensed statement of financial position as at 30 June 2024;
- the condensed statement of comprehensive income for the six-month period ended 30 June 2024;
- the condensed statement of changes in net assets (equity) attributable to the Unitholders for the six-month period ended 30 June 2024;
- the condensed statement of cash flows for the six-month period ended 30 June 2024; and
- the notes to the condensed interim financial statements.

The Fund Manager is responsible for the preparation and presentation of these condensed interim financial statements in accordance with International Accounting Standard 34 'Interim Financial Reporting' ("IAS 34"), that is endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Fund Regulations issued by the Capital Market Authority and the Fund's Terms and Conditions. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' that is endorsed in the Kingdom of Saudi Arabia. A review of condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 30 June 2024 condensed interim financial statements of **Alistithmar Capital Saudi Companies Fund** are not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting' that is endorsed in the Kingdom of Saudi Arabia.

ALISTITHMAR CAPITAL SAUDI COMPANIES FUND

An open-ended mutual fund

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (Unaudited)

For the six-month period ended 30 June 2024

(Amounts in Saudi Arabian Riyals)

1. GENERAL

Alistithmar Capital Saudi Companies Fund (the “Fund”) is an open-ended investment fund created by an agreement between Alistithmar for Financial Securities and Brokerage Company (Alistithmar Capital” or the “Fund Manager”), a wholly owned subsidiary of The Saudi Investment Bank (the “Bank”), and the investors (the “Unitholders”). The Fund commenced its operations on 23 April 2005.

The Fund is designed for investors seeking capital appreciation over the long-term, through exposure to publicly traded Shariah compliant Saudi equities and financial products. All income is reinvested in the Fund and is reflected in the net assets (equity) attributable to each unit.

Alistithmar Capital is the Fund Manager and Riyadh Capital Company (“Riyad Capital”) is the custodian of the Fund.

In dealing with the Unitholders, the Fund Manager considers the Fund as an independent accounting unit. Accordingly, the Fund Manager prepares separate condensed interim financial statements of the Fund.

2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the “Regulations”) published by Capital Market Authority (“CMA”) on 3 Dhul Hijja 1427 H (corresponding to 24 December 2006) thereafter amended (the “Amended Regulations”) on 16 Sha’ban 1437 H (corresponding to 23 May 2016). The Regulation was further amended (the “Amended Regulations”) on 12 Rajab 1442 H (corresponding to 24 February 2021), detailing requirements for all funds within the Kingdom of Saudi Arabia. The Amended Regulations have effective dates starting from 19 Ramadan 1442 H (corresponding to 1 May 2021).

3. BASIS OF ACCOUNTING

These condensed interim financial statements are prepared in accordance with International Accounting Standard 34 ‘Interim Financial Reporting’ (“IAS 34”) as endorsed in the Kingdom of Saudi Arabia and to comply with the applicable provisions of the Investment Fund Regulations issued by the Capital Market Authority (CMA) and the Fund’s terms and conditions. The condensed interim financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Fund’s annual audited financial statements for the year ended 31 December 2023.

4. BASIS OF MEASUREMENT

These condensed interim financial statements have been prepared on a historical cost basis, except for measurement of investments at fair value, using the accrual basis of accounting and the going concern concept.

The Fund does not have a clearly identifiable operating cycle and therefore does not present current and non-current assets and liabilities separately in the statement of financial position. Instead, assets and liabilities are presented in order of their liquidity.

5. FUNCTIONAL AND PRESENTATION CURRENCY

These condensed interim financial statements are presented in Saudi Arabian Riyals (“SAR”), which is the Fund’s functional currency. All amounts have been rounded to the nearest SAR, unless otherwise indicated.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognised prospectively.

7. MATERIAL ACCOUNTING POLICIES

The accounting policies used in the preparation of these condensed interim financial statements are consistent with those used in the preparation of the annual audited financial statements for the year ended 31 December 2023.

b) New IFRS standards, IFRIC interpretations and amendments thereof issued but not yet effective

The following new standards, amendments and revisions to existing standards, which were issued by IASB but not yet effective are listed below. The Fund intends to adopt these standards when they become effective. 15. FAIR VALUES OF FINANCIAL INSTRUMENTS

The Fund measures certain financial instruments at fair value at each statement of financial position date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

Valuation models

The fair values of financial instruments that are traded in active markets are based on prices obtained directly from an exchange on which the instruments are traded or obtained from a broker that provides an unadjusted quoted price from an active market for identical instruments.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (Unaudited)

15. FAIR VALUES OF FINANCIAL INSTRUMENTS (CONTINUED)

For financial instruments that trade infrequently and have little price transparency, fair value is less objective and requires varying degrees of judgment depending on liquidity, uncertainty of market factors, pricing assumptions and other risks affecting the specific instrument.

The Fund measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements.

Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments.

Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active; or other valuation techniques in which all significant inputs are directly or indirectly observable from market data.

Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This category includes instruments that are valued based on quoted prices for similar instruments but for which significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

The Fund values equity securities that are traded on a stock exchange at their last reported prices. To the extent that equity securities are actively traded, and valuation adjustments are not applied, they are categorized in Level 1 of the fair value hierarchy, hence the Fund's assets carried at fair value have been categorized in Level 1 of fair value hierarchy.

Fair value hierarchy – Financial instruments measured at fair value

The table below analyses financial instruments measured at their fair values at the reporting date by the level in the fair value hierarchy into which the fair value measurement is categorized. The amounts are based on the values recognised in the statement of financial position. All below fair value measurements are recurring.

30 June 2024 (Unaudited)					
Carrying amount	Fair value			Total	
	Level 1	Level 2	Level 3		
Investments	125,028,347	125,028,347	--	--	125,028,347

	Level 1	Level 2	Level 3		
Investments	115,609,764	115,609,764	--	--	115,609,764
